

ARASAN GANESAN POLYTECHNIC COLLEGE, SIVAKASI
ISTE STAFF CHAPTER – REPORT

Date: 17/07/2014

Highlights of the programme

ISTE Staff Chapter conducted a special meeting on “**Diabetic Foot Management**” on 17/07/2014. **Dr.Selwin Julious and Thiru.V.Bharath Kumar, Elite Electro medical Equipments(P) Ltd, Madurai** were the resource persons. They pointed out that the characteristics features of Type-2 diabetics are feeling thirsty, sudden change in body weight and affinity to sweets etc. They state that we have to face diabetic foot problem like loss of hot and cold sensation, vibration sensation and changes in the body weight distribution pattern. Due to this we get ulcer on the surface of foot. Hence we have to take care of our foot.
