

# ARASAN GANESAN POLYTECHNIC COLLEGE, SIVAKASI

## Department of Basic Engineering

### Learning Skill Workshop

Date: 02.07.2014

“Learning Skill Workshop” is usually organized to orient the new entrants to the college atmosphere and learning styles. The learners will be given motivation on goal setting, Effective Communication, Time Management, Memory Techniques, Preparation for Exam, Note Taking and Reading skill. The workshop was inaugurated by Er. A.S.Antony Raj, Insurance Surveyor on 02.07.2014. 320 first year students of Arasan Ganesan Polytechnic College attended the programme. The speaker advised the students to receive praise or appreciation from others, to improve their strength. He gave the following Tips to improve their confidence and self esteem so that they can achieve goals, easily.

- ✓ Do it now.
- ✓ Break-up the job / Work into small steps.
- ✓ Do not wait for inspiration.

The main objective of the workshop is to reiterate the concept that learning is a skill and therefore all can learn well by continuous practice, said the Department In-charge, in her Welcome Address. Thiru. V.Srinivasan, Con.Ed. Manager in his Presidential address threw light on the significance of the sixth sense, which can be positively tuned. The Process Champion Thiru. R.Raman proposed Vote of Thanks.
