#### PULSE POLIO IMMUNIZATION REPORT

Pulse Polio Immunization was held on 22.02.2015, Sunday. Six of our Rotaractors actively served as volunteers. They served in Sivakasi Government Hospital, Sivakasi Railway Station, Thiruthangal Railway Station and Panchayat Union School, Thiruthangal. Our volunteers served from 8.00 am to 5.00 pm on that day. Volunteers at Government Hospital and Railway station had a laborious task. They served tirelessly. Common people appreciated the services rendered by our volunteers.
